The Americas Infrastructure Dialogue #AmericasID2024 – 25th & 26th of January 2024, Hilton Honors, New York, Hilton Midtown:

“Keep Track Of Change With Real Assets”

LONDON, October 09, 2023 – The Americas Infrastructure Dialogue 2024 will take place on the 25th and 26th January 2024 as an in-person event, bringing together the decision makers in the infrastructure sector in the region. Global leaders as well as local leaders in the infrastructure sector have an opportunity to get together in a series of interactive sessions and 1:1 meeting in the exclusive Dialogue-Club. Senior industry experts, including investors, lenders, developers, owners, and policy makers will be discussing the latest trends in infrastructure in the US, including equity investments, debt infra investments, ESG, the energy transition and other developments, in Canada, Latin America and abroad.

The agenda covers a broad list of topics such as – North American investment pipelines, new strategies for infrastructure investments, renewables in the Americas, investments in methanol and hydrogen, technology and fibre networks, debt infrastructure, infrastructure in LATM, financing infrastructure, water infrastructure, utilities, transport infrastructure, EV charging, P3 infrastructure, etc.

Henry Cisneros, Chairman, American Triple I Partners said “The Event 'Americas Infrastructure Dialogue' was the best of its kind I have attended. I especially liked the arrangement of the rooms for maximum dialogue and the working session ambiance. The collegial size of participation in each room and the stature of the participants made for informed discussion and productive exchanges. Thank you for inviting me and for making it possible for me to participate. I believe we are entering a Golden Era of infrastructure investing as nations seek to modernize and expand critical infrastructure. You are contributing to that process in a significant way.” (The Americas Infrastructure Dialogue #AmericasID2022)
